Group General Information

The North Oak Group is growing beyond our loftiest expectations.

Our annual pinic is next month as well as a new game night on Friday evenings from 9:30-11:30 pm. We are sharing the night with the Park Hill group alternating Fridays.

In our group conscious meeting, we voted to let the Steering Committee make urgent decisions that cannot wait. In other words, not every issue needs to be decided at group conscious.

We have also added a reading library as well as books for purchase. The library is going to increase greatly after this weekend because our GSR will be purchasing several Grapevine publications

Group 7th Tradition

We continue to contribute to all applicable entities

Group 12th Step Projects

As mentioned before , we have added a Friday game night in cooperation with the Park Hill group. This is an opportunity to have new visitors who may not wish to attend a meeting necessarily. Fellowship is key here.

We are also increasing our coffee funds with distribution information on the collection cans.

The Central office hotline has been added to our group responsibility. Members sign uo for a particular time period and the phone is handed off to that person.

Our meeting times are now posted on the outer doors of our hall for those who may not find them online.

Group Committee Participation

The North Oak group continues to send members to Valley Hope in Atcheson on a weekly basis.

We also have a new tech liaison and she has already made very noticeable and necessary changes to our web prescense.

we are having our annual fourth of july picnic on fourth of july at westwood park in kansas city. open meeting at 9am, grilling and potluck starts at 11am. flyer is on the website.

I was able to attend our delegates report and will be sharing that information with my group at our next business meeting.

two members and i got to share at paseo group in april.

i chaired our group conscience about rent, which was engaging and helpful and led to informed action for our trusted servants to take.

our chairperson, accessabilities chair and alternate gsr stepped down a few months ago but we were able to elect new trusted servants the following month. the new alternate-gsr will be joining me next area.

Group General Information

We continue to have our BB meeting weekly. Attendance is steady. We've had a few extra visitors this month from people in town for the World Cup. We are financially stable and contribute quarterly to the Kansas City Central Office, District, Area, and GSO. We carry the message once a month to the KU Strawberry Hill mental-health facility. We've had no particular problems lately

Group 1-Patty G

Since last Area we Celebrated our 85 th Anniversary. The Event was fun and a complete success. I have also attended all District and KC Grp #1 Business Meetings. This also includes Greg's Delegate's Report held June 14 th at Alive Again in Independence. I attended Paseo's Traditions and Concept Workshop on 5/30/26.

We held our All Member's Meeting and Pot Luck on June 19 th where we elected our next slate officer's All Postitions were filled.

I had requested of our Group at Missy Bazzill's request (our Dist 6 PI/CPC Chair) to pass a "Splashy Can" to collect monies for Literature to be able to pass out at the many venues she attends to let people know that AA is Here for them. I asked for a Month's time and the Group Agreed.. We collected over

$50.00. (I forgot to confirm the total amount). I also requested that our Group increase their monthly fund to Area by an additional $20.00. With some discussion the increase was approved.

Group #1 has also agreed to send our GSR to SWRAASA in October. I will be completing this year's GSR Term and will run for the next term which will be voted upon in August. I hope to be elected\.

Thank You for Allowing Me to Serve,

Group General Information

We meet on Saturdays at 730 at 311 W 80th terrace.

Our group is thriving right now, we have a few members talking about adding a new meeting to our schedule again (we'll see what happens). We're working on setting a prudent reserve and then making plans for our funds, main idea is to donate to the entities.

All of our service positions are filled, and I am excited to see how our trusted servants expand our group's participation in local T&C and PI/CPC.

We also have a new conference coming to KC, HACYPAA (Heartland Area Conference of Young People in AA). This is not technically KCYPG, but I am proud to announce it to area anyways. We hope to get involvement from people around here, come talk to me about it if you want.

Group 7th Tradition

We are fully self supporting but are not able to donate to the entities currently. We are discussing sending our current excess funds to the entities.

Group 12th Step Projects

We carry the message to recovery village. Our PI/CPC chair is killing it working with local professionals and working on a billboard project.

Group Committee Participation

We have all positions filled, our community is at a high point for sure (which is great because we were slowing down during the winter)

Attendance at meetings has thinned slightly but typically increases during the summer with visitors from out of town. We continue to honor the 7th tradition with quarterly contributions to District 8, Area 39, and the GSO in New York. Our prudent reserve is low at the moment, but we ask everyone to donate more if they can at each meeting. Sober anniversaries are celebrated on the last Saturday of each month with food at 6 pm and a meeting at 7 pm. On the first Wednesday of each month, we take a meeting to Cedar Recovery Center in Linn Creek from 7-8 pm.
