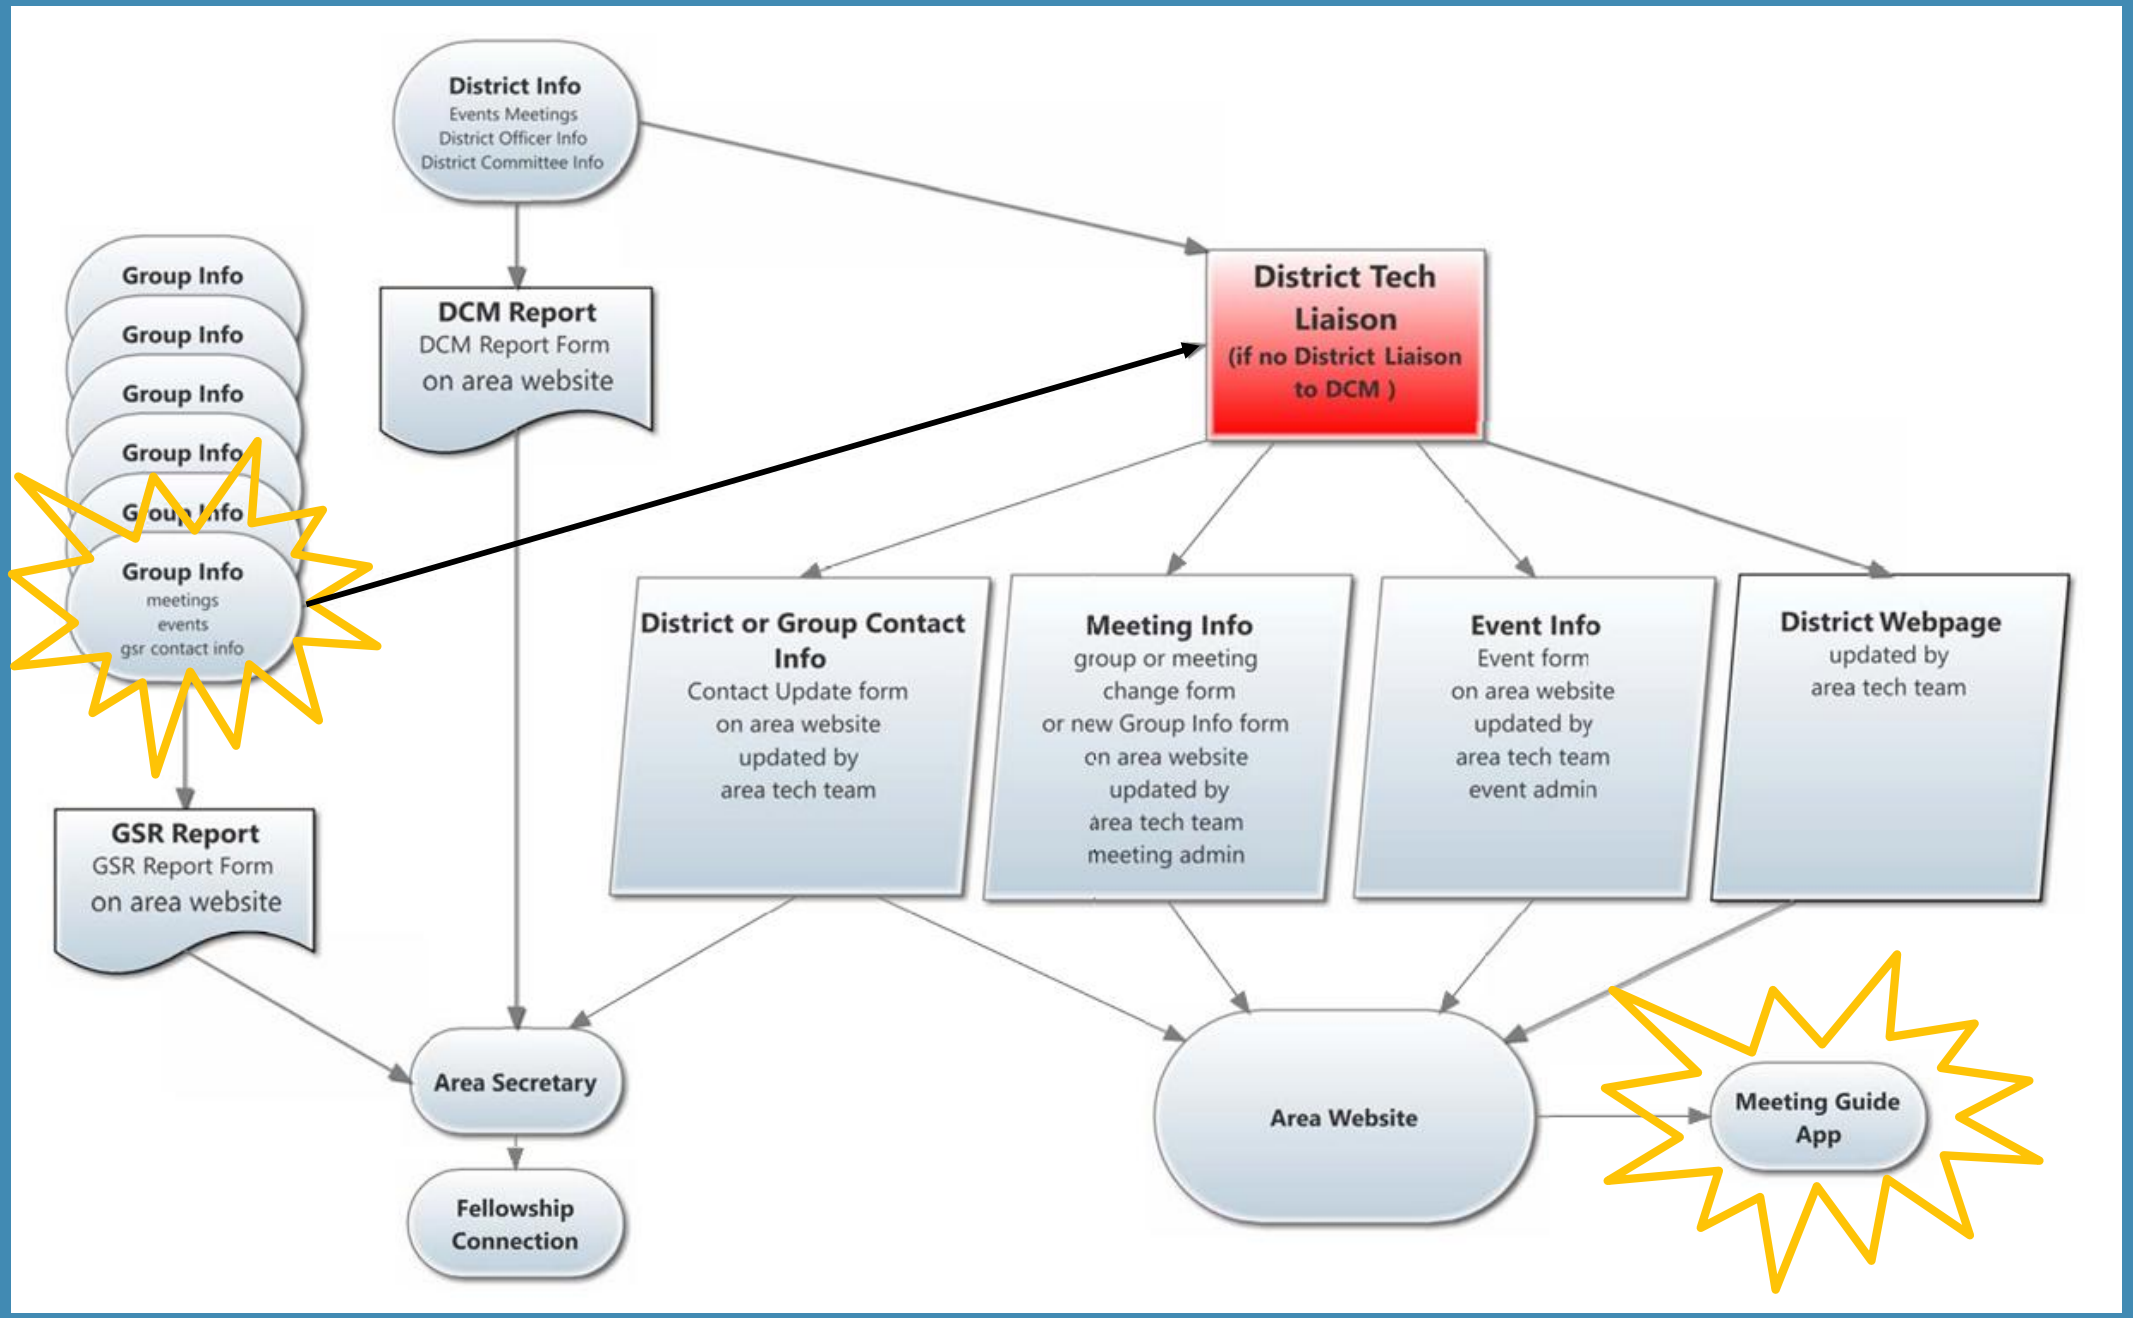
TECH LIAISON - WORKSHOP
A) DISTRICTS
B) COMMITTEES

Communication between your District or Committee and the Tech Team and the Website.

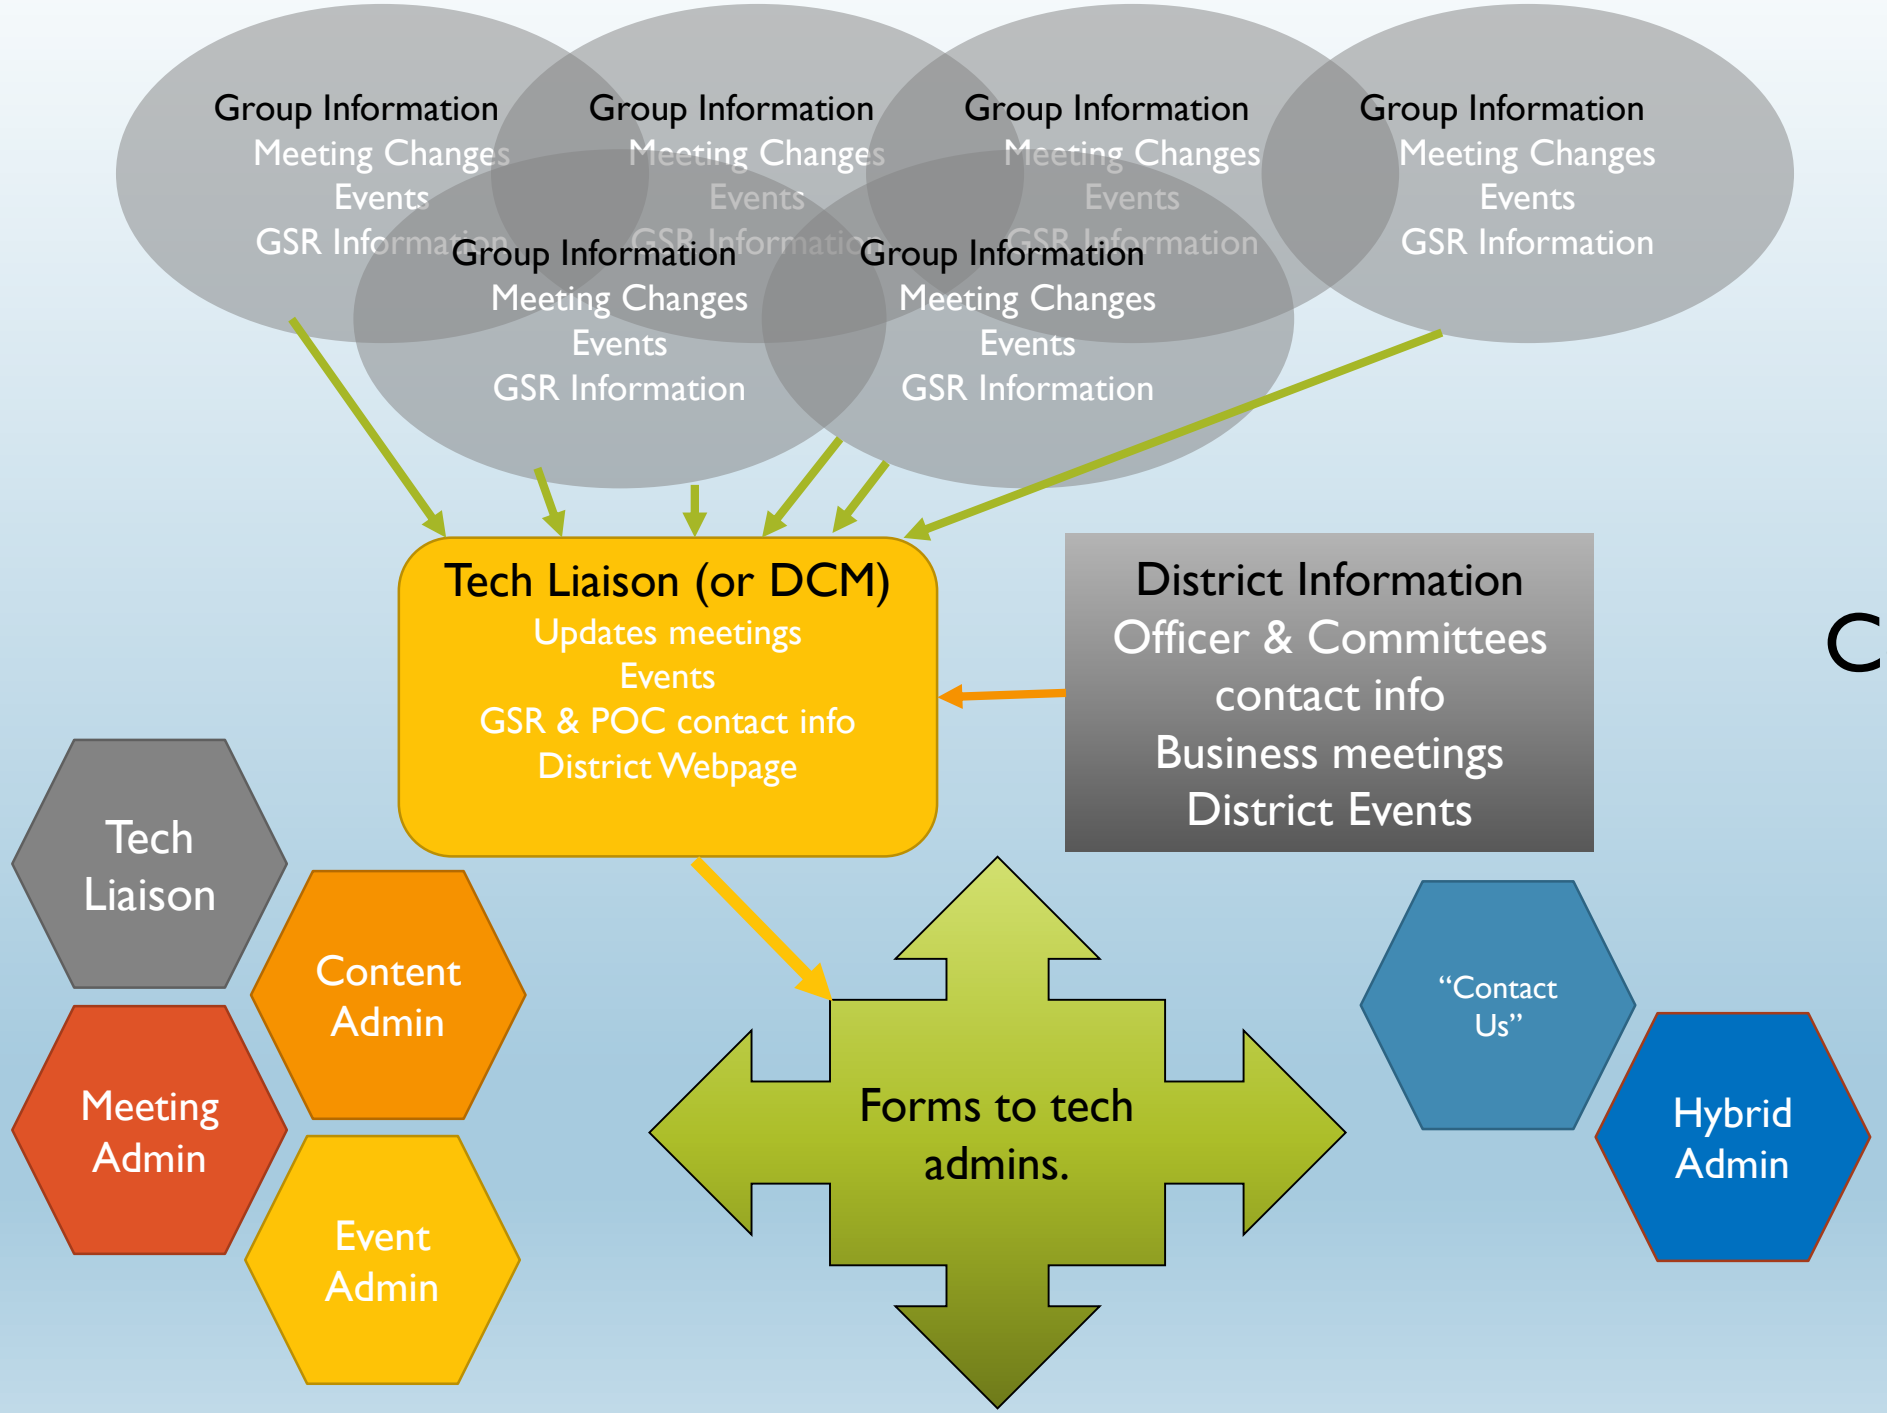
Keeping the Area 39 up to date, cannot happen without YOU!

Our interests are our relationship with you & who you represent, to make both our work as easy as possible.

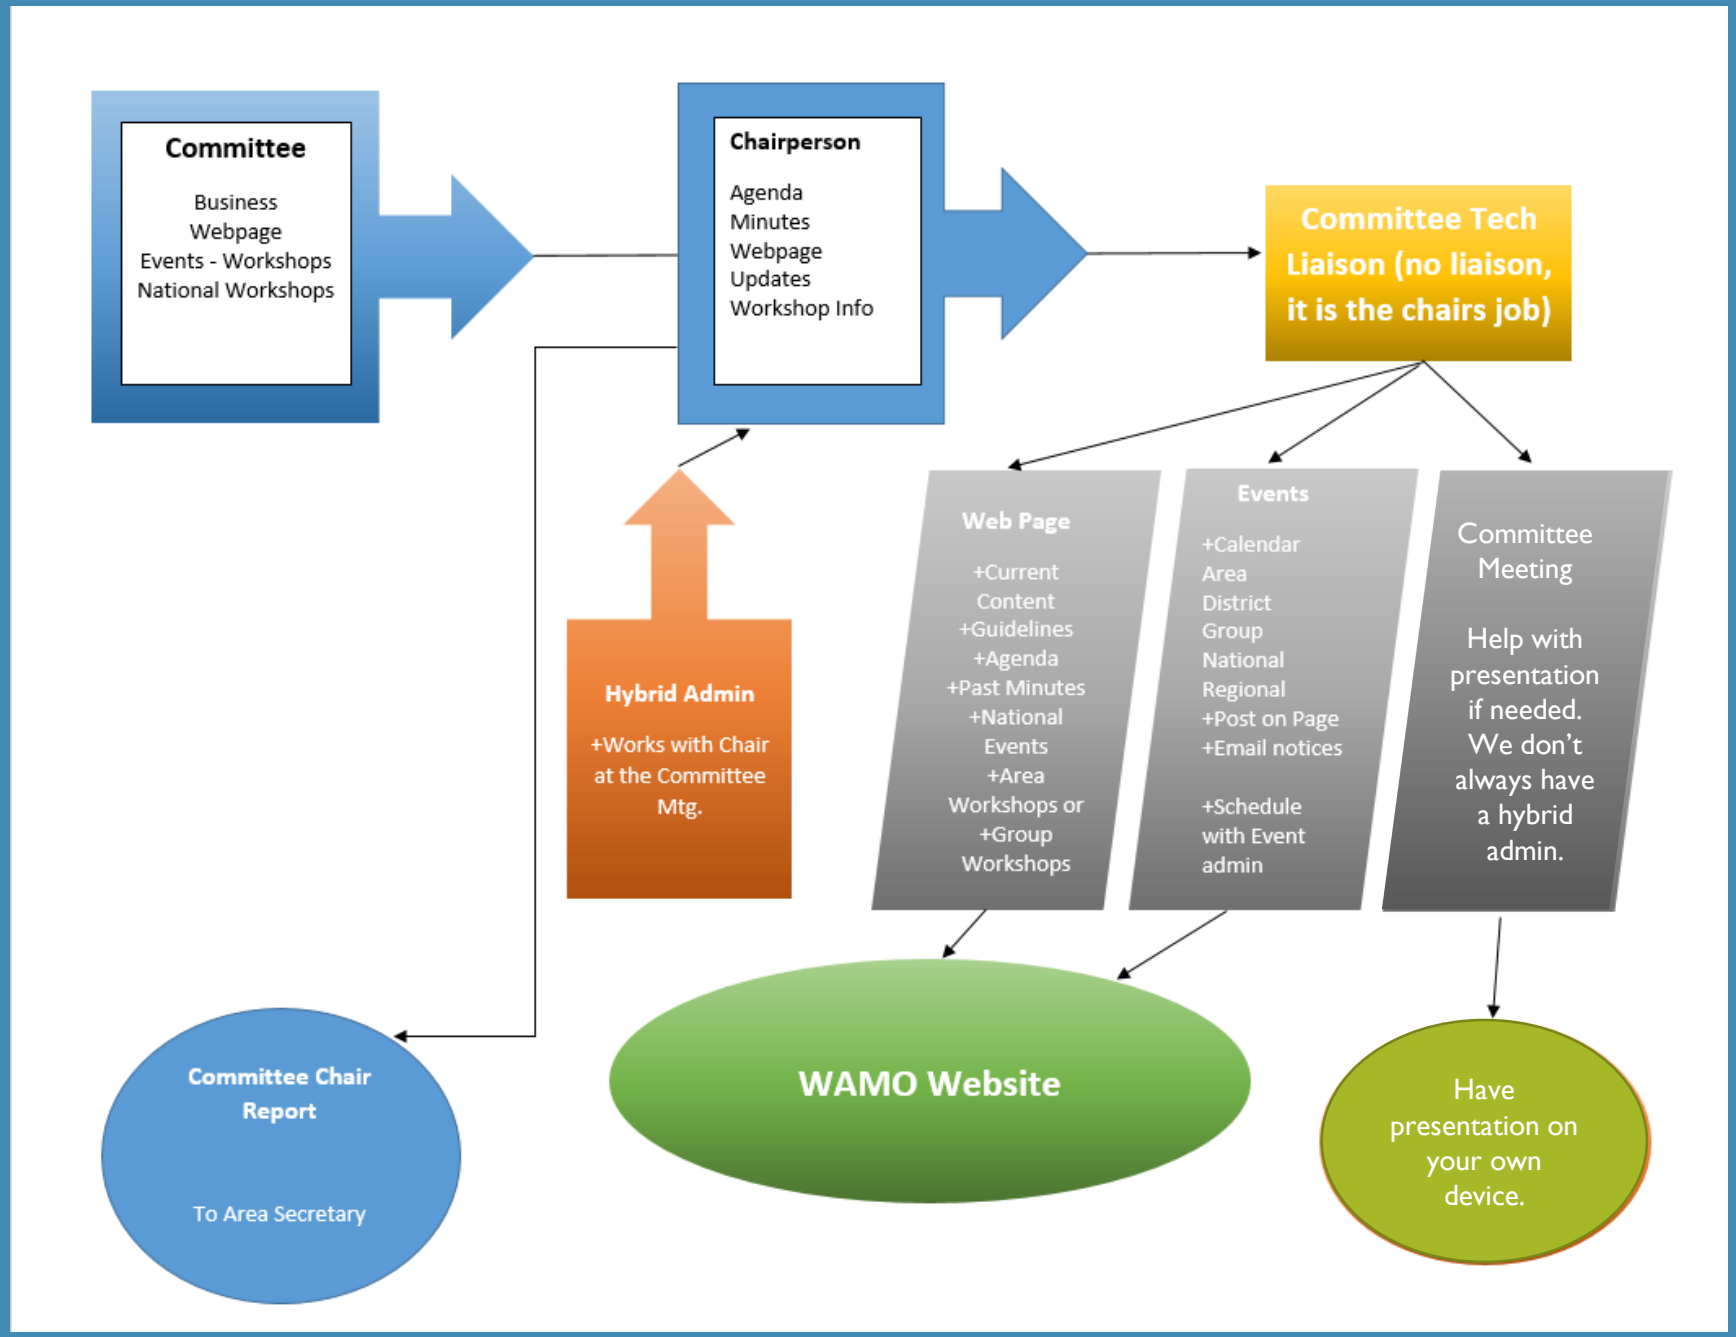
Group - GSR - District – Tech Liaison to Area Communication Flow



District to Tech Team Communication Flow



Committee - Chair - Tech Liaison - Communication to Area -Tech Team



Committee to Tech Team Communication Flow

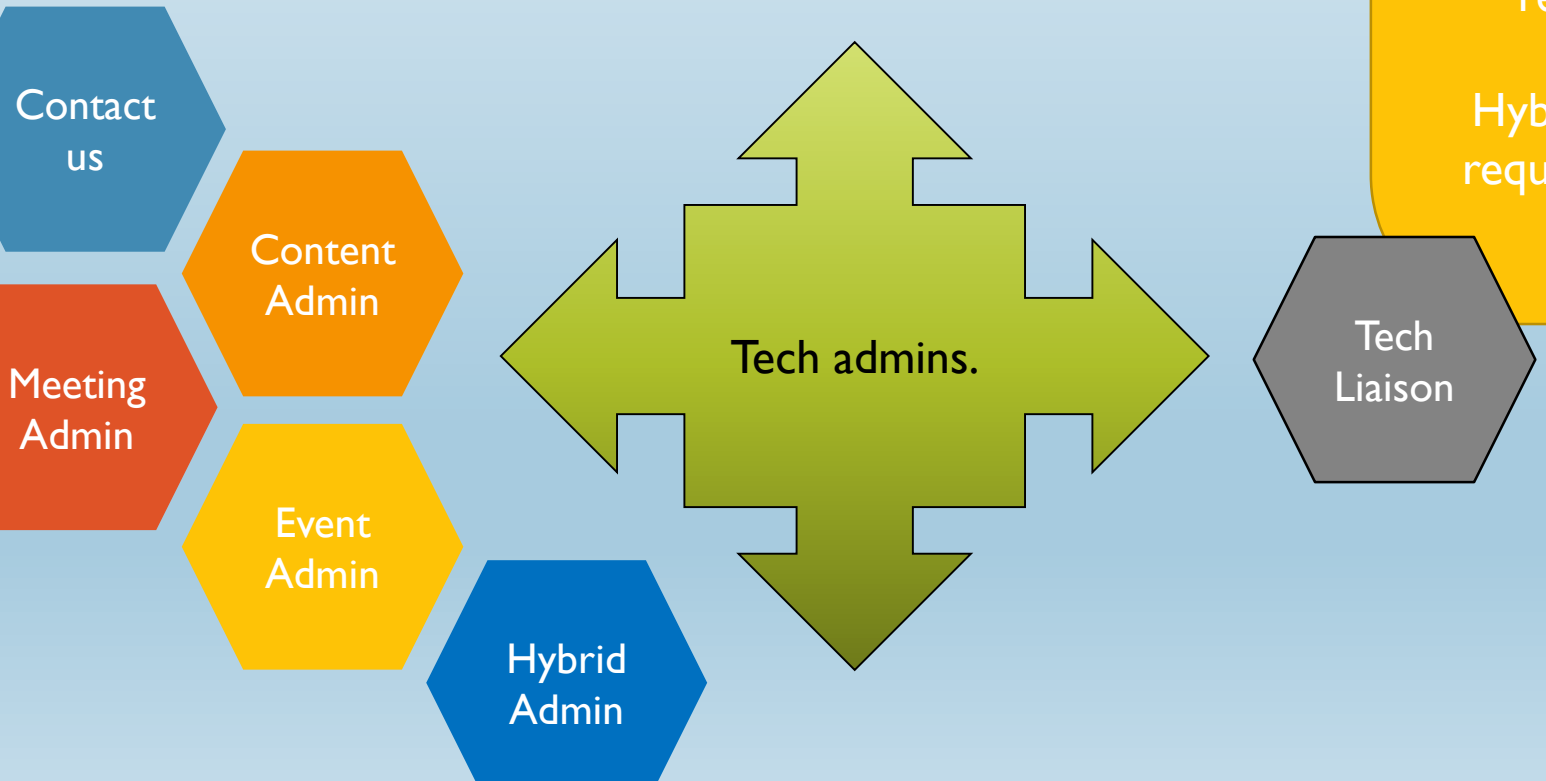
Tech Liaison
(If there isn't one -the Chairperson is responsible)
Hybrid Admins support the online participants as greeters, also giving information to the chair when asking for reports or polls. They support the A/V of tech difficulties that seem to pop-up.

All presentations at your committee is the responsibility of you or your tech liaison.

Hybrid is managing the online portion, do not request slides. You or liaison can login to zoom and present your own slide.



USE THE MENU IN THE HEADING TO NAVIGATE

Forms will be in "Resources" for Groups, Districts and Committees.
Use the drop down menu for quick navigation.
